Tag Days / Preschool Dress Code

Tag Days/Preschool Dress Code – Tag Days are announced School Spirit days or fundraising days (participation optional) that enable the students to dress out of uniform while encouraging school spirit and/or helping to raise money for specific items for the school (i.e. bulletin boards).

Students may wear clothes that are in compliance with the following dress code: Students should be dressed in simple, comfortable, non-form fitting (not tight) clothes. Crop tops, making midribs from shirts, tank tops, or muscle shirts are prohibited. Shirts should be continuous from neckline to waist, covering entire mid-section and all undergarments. Shirttails designed to be tucked in must be tucked in. To encourage modesty, skirts, dresses, and shorts must be worn at modest lengths. All pants should be secured at the waist – no sagging below the waist to expose undergarments. Stretch pants and leggings must be worn with clothing long enough to cover hips completely. When in doubt, err toward the conservative. Questions should be directed to the classroom teacher or office staff.

Enforcing Uniform/Dress Code Policy – Teachers will conduct a dress code inspection as part of their opening exercises each morning. Dress code violations will be reported to the school office and a dress code violation form will be filed with a copy sent home to the parents. The school reserves the right to call parents to come with a change of clothing if deemed necessary. When in doubt, err toward the conservative.

The School Board reserves the right to add to this as they deem necessary.
